

St. Cecilia Care

Autumn Newsletter, 2016

Family Liaison Forum

For many years now, we have tried to keep our families informed by way of our newsletters. It is notoriously difficult to arrange a meeting time convenient for all for face-to-face sharing of information, so Robin has started to offer a monthly forum for shared discussion of any aspect of Dementia Care and related issues. All families are invited and may attend as is convenient for them. They can raise any concerns or discuss matters of interest with Robin or other relatives over tea and biscuits. The first was held on 31st October. Robin will relay by email any important matters arising from these gatherings and future dates.

On-going Training

Congratulations to Angelina and Maciej (Magic) who have both completed QCF3. Well done!

Olivia is making great strides towards attaining her QCF level 5 Diploma in Management. She has been taking on increased responsibility in her role as Trainee Assistant Manager and we are very grateful to her for her contribution to St Cecilia.

We are pleased to see that many staff are pursuing voluntary Level 2 modules in subjects such as Diabetes Awareness, Care Planning, Mental Health and End of Life Care.

Kitchen Sink News

Nick has enthusiastically taken over the role of Head Cook and will shortly be completing his Diploma in Hospitality and Catering Level 2. The cooking will be shared with Natalie, who joins us as a qualified and experienced carer.

We would like to extend a warm welcome to Natalie.

Prize-Winning Butcher

For 28 years, St Cecilia has resisted the pressure to move from our local butcher to the supermarket. For us, Peter Treble has provided top quality locally sourced meat which we can rely on. Others have now recognised Peter Treble with the prestigious award:

**Butcher of the Year
2016**

Congratulations and
Thank You!

Hellos and Goodbyes

It is with great sadness that we recently said goodbye to Mabel and Victor and our thoughts have been with their families.

We welcome new residents, Sylvia and Eileen, and wish them a long and happy stay with us at St Cecilia.

All Welcome!!

Christmas Party

**Mulled Wine and Mince Pies
and Festive Music**

Tues, 13th December at 3.30pm

St. Cecilia Care Dorset Ltd, 29 Nelson Road, Poole BH12 1E5
