Home cooking Exceptional quality personal care
Day Care available

“St Cecilia is a lovely character house with spacious accommodation and a beautiful secluded garden.”

“Just the right balance of care, attention, distraction and humour.”

“Safe, warm-hearted, and very loving environment.”

“Fantastic care, not only to residents, but to the families.”

“Whenever You visit, everyone is smiling and there’s laughter!”

“The love for my mother is outstanding.”

A home from home for your loved one

DEMENTIA PLUS Care at St Cecilia

Our residents are the reason that we come to work. Their contentment and good health are our main goal. Each individual's needs and preferences must be met. As St. Cecilia is a small care home, every resident receives the attention they need. We look beyond the dementia to find the person within.

We see our residents as **individuals**. We encourage residents to bring with them any treasured personal belongings, whether pictures, items of furniture or even football scarves. Families and friends can help by providing any objects which reassure our residents or connect them with their past.

The **family-oriented** atmosphere at St Cecilia encourages all of our carers to be familiar with the personal preferences of each resident. Person-centred care is the driving force behind our approach to individual well-being, in a home-from-home environment.

Family and friends are warmly welcomed into our home at any time. We encourage them to continue to play a pivotal role in the lives of our residents. Residents can receive visitors in the communal areas or in the privacy of their own bedrooms.

Families can stay in touch at all times through the management team or through the designated **key worker**.

Activities

Rated 'excellent' in our last CQC inspection report, our varied activities programme stimulates and entertains our residents and staff.

Richard's Singalong

Father Christmas visits

Simon of Brighter Days

Robin at skittles

Caring
Canines

Barnarts Trio entertains

Day Care

As we are registered for 15 residents, it is possible to provide one day care place at St Cecilia for one person. This is a good opportunity for anyone considering full-time residence, or it may be an ideal source of respite care. Discuss the possibilities with Robert or Robin.

What visitors and the families of our residents have to say:

"Staff care passionately about people and they know people really well".

"The Home is always welcoming and happy, which makes it a pleasure to visit."

"My relative is very happy & this makes our position with her illness much easier."

"The staff have been absolutely fantastic, always cheerful, open, friendly, welcoming to residents and guests alike."

"The staff do their best at all times. I was lucky to find St. Cecilia."

"Both staff and residents are happy and smiling and there's laughter."

"My mother is 100% content"

St. Cecilia Care

Dorset Ltd

Fees: Residential fees £875 – £1100 per week,
according to assessed need

Proprietor: Robert Eshelby qualified as a social worker 32 years ago and was formerly Senior Social Worker at Alderney Dementia Care Hospital. He has run St. Cecilia since 1988.
Dementia Care has been a life's work.

Registered Manager: Robin Hiney graduated from Durham University with an honours degree in Sociology and a post-graduate diploma in Psychology. He taught in Sri Lanka for several years and has worked with Robert at St. Cecilia since 2010. Robin took over as Manager after qualifying with a diploma in Care Management.

Compliance Officer: Karen Hunter ran her own hair and beauty salons before changing to a career in care. With qualifications including a diploma in Care Management, Karen worked for 11 years for a large care home company, initially as a care home manager in the North East, and then throughout the country supporting other managers. In 2013, she became a much-valued addition to the team at St. Cecilia.
