## Christmas Newsletter, 2016

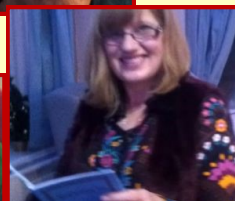

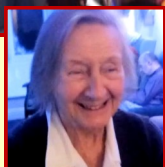

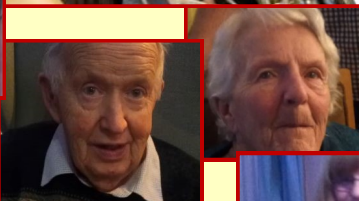

### Christmas Party 13th December

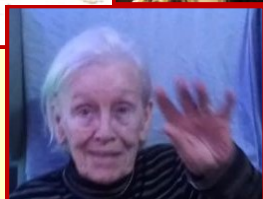

There was singing, feasting and merry-making. A good time was had by all!

The carols were led by the Barnarts Trio.

Richard has sadly had to take a break from playing the piano for our Singalongs after an operation on his hand. We wish him a quick recovery and return to his normal agility on the keys.

### XMAS PARTY 2016

### More Music!

On 19th December, Pauline's son, Robert, kindly came and played for us for the afternoon. Thank you!

### Added Security

For the safety and comfort of our residents, we have had a new security system fitted to the two side doors leading out into the gardens. This ensures that folk cannot wander out into the back garden unsupervised.

### Christmas Welcome

We extend a warm welcome over the Christmas period to John Bartlett and Pam Russell.

### Added Value

People with relatives in many care homes experience the monthly anxiety: 'How much is our bill for extra expenses this month?' At St. Cecilia, we do not charge for 'extras', i.e. the cost of standard chiropody, activities, hairdressing, administering medication, toiletries, etc. We believe that this should be integral to our services. To give you peace of mind, our fees are all-inclusive.
