Top of the Ratings!

In May, St Cecilia regained its position at the top of the review ratings for the Poole Area on carehome.co.uk, the leading UK Care Home review website.

Our thanks to a dedicated team of carers, and especially to Robin, our Manager, ably assisted by Karen, our Compliance Officer.

New Kitchen

Plans have been drawn up and submitted to the council for an extension to our kitchen. Once finished, the kitchen will extend beyond the present laundry to the back path, with views over the back garden. A new domestic-style laundry will be created and it is planned that we will use a commercial company to deal with the bulk of our laundering needs. The project should be completed in Spring 2019.

Blooming Beautiful!

You will have noticed the fine display of containers and hanging baskets by the front door. These are the work of the new mastermind planning St Cecilia's gardens. Jackie Bartlett has made a good start on the front garden and we look forward to seeing the gardens develop.

Welcome

We would like to welcome Mary Walker, Gillian Tilsed and Wilma Hunter, who have recently joined the St Cecilia family.
